cruising altitude

“What an asshole!”

Greg said, his face twisted with contempt.

My fellow flight attendant balled his hands into fists. Me and my big mouth. I shouldn’t have said a word. Now I had to restrain Greg from going back there and confronting the passenger who had just pinched my ass.

“Forget about it,” I told him. “He’s harmless.”

I certainly appreciated Greg’s concern for my welfare, but I was a big girl more than capable of taking care of myself. Besides, today’s preflight pinch was nothing new. Handsy male passengers were a fact of life for most female flight attendants. It was always the guy flying alone, of course, the conventioneer or sales rep who, after a few cocktails, couldn’t resist the urge to cop a feel. No telling how many times I had been pinched and/or groped during my two years with the airline. Still, I took it in stride. Mine was a good job with great benefits and I wasn’t about to quit. Truth be known, I was flattered and, more often than not, turned on by these incidents.

My irregular work schedule made it difficult, if not downright impossible, to maintain a relationship, so I got my kicks however and whenever I could. A pinch here, a squeeze there. No harm done. And sometimes, if the guy was really handsome, I might even reciprocate by discreetly dropping a message in his lap to meet me in the bathroom.

All this to say that I was a card-carrying member of the mile-high club. Getting banged at cruising altitude is something every woman should experience at least once. As for me—well, once just wasn’t enough, not by a longshot.

Now, having convinced Greg to give it a rest, I dropped into my seat and secured my safety belt in preparation for takeoff. Speeding down a runway at 160 mph used to scare the hell out of me, so much so that I had experienced second thoughts about my career choice. Thankfully those days were long gone. Sitting there today as the plane lifted off, I felt per-

fectly safe. And hornier than ever!

The pinch had stoked my fire; this due in no small part to the cuteness of the guy who had administered it. Would he be up for a quickie in the bathroom? Well, I thought, there was only one way to find out . . .

The seat belt light dimmed as we reached 10,000 ft., my cue to get up and write one of those aforementioned notes. I did this on the counter in the galley, scribbling my invitation on a paper napkin with much haste.

“Making a grocery list?” Greg asked jokingly.

I looked up to see that he had parted the curtain separating the galley from the cabin.

“A poem,” I lied.

He looked at me doubtfully. “You write poetry?”

“All the time. I was an English major, you know.”

“She’s a poet and I didn’t even know it.” Greg

chuckled. "Hey, that's pretty good. It rhymes and everything."

I rolled my eyes and left him there as he started a fresh pot of coffee. Thankfully, the guy who had pinched me had an aisle seat, making my little task so much easier. His nose buried in a popular novel, he didn't see me as I walked toward him. I dropped the note in his lap and kept right on moving down the center aisle until I reached the unoccupied ladies' room.

Once inside I checked my looks in the small mirror above an equally small sink. Smiling confidently at my reflection, I hoped he would take me up on my bold proposition. You never know, I thought. He had pinched me, yeah, but that didn't necessarily mean he would fuck me in the bathroom.

My concerns dissolved when I heard a light rapping on the door followed by his entry.

"Can't a girl have some privacy?" I said playfully.

"No," he said matter-of-factly and closed the door behind him, "but she can damn sure have something else."

"And what would that be?"

He grinned. "My cock in her mouth."

I loved giving head as much as the next slut, but our time was limited and my pussy was ready for a pounding. I leaned over that ludicrously small sink

and regarded him over my shoulder.

"Would my cunt do?"

No sooner had the words left my mouth than he lifted the hem of my skirt and received a pleasant surprise.

"Somebody forgot to put on their panties this morning," he said while dropping his pants.

"Ooops," I replied, shaking my ass in anticipation of his hard dick inside my hot fuck hole.

He entered me none too gently, plunging his prick inside my pussy with a forceful jab. I gasped and bit my lip. His strong hands grabbed hold of my slender hips a split second before he fucked me in earnest. I couldn't help but wonder if this was his first time to have sex in an airplane. Not that it mattered. He was doing just fine, hammering me with a frenzied stabbing motion which made my entire body thrum blissfully.

My pinching partner made no attempt to prolong our encounter. Like me, he knew it was strictly a quickie. My hands gripping the edges of the miniature basin, I held on tightly as he grunted and finished with a flourish. I felt hot cum on my bum, felt it oozing down the back of my thigh . . .

"Wow," he uttered while pulling up his pants, "this airline really goes the extra mile to make its passengers happy."

"We aim to please," I told him.

And that was that. He exited the bathroom without another word. I waited a minute or two, checking my hair and face in the mirror before returning to work. Greg was serving coffee when I rejoined him in the cabin. As far as I know he had no idea what I had been up to. Not that he would have judged me harshly; Greg, too, was a member of the mile-high club.

Ours was a long shift. New York to Seattle. Seattle to Dallas. Dallas to Miami. The bed in my hotel room had never looked so inviting. I took a relaxing shower, put on my complimentary robe, and ordered room service. The food was tasty. Of course, I was so hungry I would have eaten damn near anything. My head propped on a pillow, remote in hand, I sighed contentedly and settled in for a night of mindless television.

My eyelids were heavy when the hotel phone jangled, jerking me fully awake. "Now who could that be?" I muttered with annoyance before taking the call.

It was Captain Heath. He wanted to know if I felt like joining him and the copilot for a nightcap. The way he said "nightcap" left little doubt regarding

his intentions. I had sucked his cock on a previous layover, effectively whetting his appetite for more. As for the copilot—well, I didn't know him at all. New to the airline, First Officer Franks had flown Air Force fighter jets before becoming a commercial pilot.

The prospect of doing both of them at the same time gave me a burst of energy. Heath had the room right next to mine, so I didn't bother to change clothes. Wrapped in my robe, I left my room and knocked on his door. A smiling Franks stepped aside and welcomed me to the party. I spied a half-empty bottle of scotch on the night table. Heath offered me a drink.

"No thanks," I told him, slightly worried that they might be too liquored up to fuck me properly.

for this airline was the best decision of my life."

Hearing their banter turned me on something fierce, making my nipples stiff and my kitty wet. Moments later I switched things around, blowing Franks while giving Heath a handjob. My mouth and hand working in tandem, I serviced them until my pussy dripped with anticipation of a relentless rutting.

"Okay guys," I said after rising from the floor. "Who wants to fuck me first?"

"She's all yours, Captain," said Franks.

"Watch and learn," Heath replied.

I lay on the bed at his prompting, my ass positioned on the edge of the mattress so that he could fuck me from a standing position. Cock in hand, he hunched over me and guided it home. The captain drove his hips repeatedly, stretching my sodden snatch with each thrust. Panting with excitement, I lifted my knees, taking every inch of his rock-hard rod.

Meanwhile, Franks had joined the fray by wagging his dick in my face. I turned my head to the side and opened my mouth. He grabbed a handful of my hair and fed me his cock. Getting my face and pussy fucked at the same time was the ultimate thrill. Raunchy squelching sounds filled the room, reverberating off the walls; they ceased when Heath and Franks changed places, then resumed even more raunchy than before.

I moaned around the captain's frenetically jabbing junk; this as Franks banged me with everything he had. Their combined effort made my pussy come. Franks got off next, pulling out and dumping his load on my taut tummy. Heath didn't bother to withdraw from my mouth before blowing his hefty wad.

I swallowed every last drop.

We got up before dawn the following morning and did it all over again. No rest for the weary. I kept waiting for some guy to pinch my ass or cop a feel, but it never happened. Greg, however, lucked up and banged some blonde MILF in the men's room. Another hole punched in his mile-high club card.

I was jealous. Until I gave it some thought and decided it was probably for the best. Even an unapologetic cum slut like me needs to take a break from sex every now and then.

My worries evaporated soon enough when they got undressed and stood before me. Their cocks showed no signs of the dreaded whiskey dick syndrome. Big and hard, both of them.

I took off my robe, giving them an eyeful of my beautiful birthday suit before crouching on the carpeted floor and starting the party in earnest. My hand wrapped around Franks' rigid shaft, I stroked him deftly while licking Heath's pole. I varnished the captain from ballbag to glans. Then I took him in my mouth. Lips cinched around his swollen member, I moved my head to and fro, pumping him for all I was worth as I continued to tug on Franks' stiff schlong.

"I told you she was a dirty whore," Heath remarked to his colleague.

"You sure did," replied Franks. "Coming to work

"When we first met on the set, it was pussy-love at first lick. I couldn't wait to get my lips on Lexi's pussy and then feel hers on mine. I was salivating as I got near it and smelled it's sweetness. And that goes for me, too. I love getting licked. Oh, did I fail to mention that we like guys, too. A woman's touch is really nice, but sometimes you just gotta have that man-meat to satisfy your feminine soul.

What's really cool though, is to have them both on the same day. Then you can go home, close your eyes and replay it all in your head. I think that's how you decide which one works best for you."

"Let me show you how much I liked my butt fucked. That's because I want you see my pictorial and get as excited as I was. It's not every day that I allow my tight little butthole to be ravaged, but today was one of them. I also love balls, yes, guy's balls. I almost like them better than cocks.

Sandy

And while balls can't fuck me like a cock, playing with them will surely get a guy off, and me too. I love to suck them into my mouth and roll them around. If only I could do that while you fucked my ass!"

my volleyball coach

I had one hand on the back of his neck pulling his face closer, and the other sneaked down below his belt to cup the obvious bulge.

As the star of my college volleyball team, I was the one everyone counted on to bring home the wins. On the days we lost, I'd be stuck replaying every mistake in my head while I sat in the empty locker room. This time was no different. The shower had done nothing to wash away the disappointment. I grabbed my bag and left, but as I passed by Coach's office, I heard him call out to me. "You did great out there today," he said, "really great. Don't let one loss get to you." I just shrugged, not meeting his eyes.

He stepped closer and before I could react, he reached out to brush a strand of hair behind my ear. His fingers lingered for just a moment, and then he pressed a soft kiss to my forehead. It wasn't unusual for him to do this, he typically only did it when one of us was being hard on ourselves. This time, however, I didn't just smile and thank him. I looked up at him and pointed to my lips. "If you're going to cheer me up, you should kiss me here instead." Eyes wide, I thought for a moment that he might pull away.

"Are you sure about that, Rhoda?" He asked.

"Yes." The word was barely audible, but it was enough. He leaned down and pressed his lips

to mine, soft at first, then deeper. Hands coming up to rest on my waist, I felt his fingers pressing into my skin through my shirt. He moaned into the kiss. Roaming over my body, his hand cupped my breast through my sports bra. My hardened nipples poked through the taut fabric. I had one hand on the back of his neck pulling his face closer, and the other sneaked down below his belt to cup the obvious bulge. I broke the kiss to look at him with questioning eyes. I toyed with the edge of his belt and his eyes widened.

"Rhoda, that's... we shouldn't..." Paying his words no mind, I dropped to my knees in front of him and fumbled with the buckle of his belt. "This is wrong," he said, but he didn't stop me. I pulled his belt off and unbuttoned his pants, sliding them down with his underwear just enough to free his cock. It sprang out, thick and hard, and I felt my mouth go dry.

"Fuck," I whispered, running my eyes over his length. "It's so big." I leaned forward, my tongue darting out to taste him, licking along his shaft. He moaned softly above me. It gave me the confidence to take him into my mouth. I tried letting him past the back of my throat, but I gagged immediately and he smoothed my hair

back in comfort. Less hurried, I tried again.

"Oh god," he groaned, his hands gripping my head. I bobbed up and down, taking him as deep as I could. As I relaxed, that depth grew. "Yes, just like that," he moaned. I ran my hand up and down his shaft, stroking what I couldn't fit in my mouth. Pulling back for just a moment, I picked up the saliva I left and dragged it

down to the base of his cock. The slide of my hand grew smoother and he even thrust into my hand the slightest bit. "Fuck, Rhoda," his hands tightened in my hair. Suddenly, he pulled my head back and gasped, "wait, wait! I'm not ready to come yet." I stood and he grabbed me to bend me over his desk. With my ass in the air, he pulled down my shorts and noticed I wasn't wearing any panties underneath. My bare ass taunted him. He admired it for a moment, his hand coming down to slap his cock against my ass cheek.

"Please," I begged. "I need you inside me." He found his wallet to pull out a condom and slid it on with practiced ease. I felt him step behind me and position the tip of his cock against my entrance, rubbing it along my slit to collect some of my leaking juices first.

"Are you sure about this?" he asked, his voice thick with need. I answered him by pressing my ass back and grinding against him. "You're going to get us both in so much trouble." In one smooth thrust, he filled me completely.

"Oh fuck yes," I moaned, my pussy clenching around him. He gave me hard, confident strokes. As if he wasn't showing hesitation mere moments before about the whole thing.

"You feel so good," he groaned. Fingertips dug into my hips. "So fucking good." We moved together, our moans echoing in the office. My tired legs threatened to crumble beneath me, but he held me up with his strong arms, keeping me steady.

"I can't believe we're doing this," I panted.

"I know," his voice sounded strained, as if he was holding something back. "But it feels too good to stop." I nodded rapidly in agreement. My dripping cunt was clear evidence of that. Reaching around me, his fingers found my clit and I felt myself hit a new wave. Another level of pleasure that I didn't know existed. Rubbing around it in tight little circles, he continued his relentless pounding behind me. I tightened up as I neared a peak.

"Coach, I'm gonna come," I warned. I couldn't hold back any longer.

"Do it," he commanded. I squeezed and milked his cock with everything I had, collapsing onto the desk in front of me as my whole body shuddered. I came harder than I ever had in my life. It overwhelmed me so much that I hardly noticed his final thrust. He

buried himself deep inside me one last time and released his load. Allowing his cock to throb and fill the condom to the brim. I felt him pull out slowly, heard him struggling with the condom removal before he tossed it aside. He helped me straighten up, wrapping his arms around me from behind. "That was..." he started, then trailed off. I turned in his arms and rested my head against his chest.

"Can we stay like this for a minute?" I asked quietly.

"Of course." He let me hear his heartbeat settle into a slower pace again through his shirt. It matched my own and once we were both calmed down, I pulled away just to kiss him again.

"We can't do this again," he said softly.

"We'll see about that," I laughed.
